

2017 NEW MARK COMMONS AFTER-HOURS POOL PARTY GUIDELINES

If you wish to have a pool party when the pool is closed, please note the following:

- Contact the Administrator at nmcadministrator@newmarkcommons.net or 301-340-0288 to make sure that the date you want is available.
- Schedule your party at least two weeks in advance so that lifeguards can be booked.
- Pool parties will begin when the pool closes for the evening. The swimming part of the party should last a minimum of two hours and a maximum of four hours. The party may continue after midnight in the clubhouse, but not on the pool deck.
- There is a limit of 100 guests.
- There will be a minimum of two lifeguards, but a third guard may be hired at the discretion of the pool manager. In addition to the rental fee, the resident sponsor will pay all lifeguard fees of \$25 per hour/per guard and a \$25 administrative fee.
- Residents reserving the swimming pool will insure that all guests are aware of the published pool rules and that the authority of the lifeguards is recognized. In the event that the lifeguard staff determines that ANY party participant is acting in such a manner that such person should not be allowed to swim, the lifeguard will inform the resident responsible for the party. If the responsible resident does not see to it that the person is removed, the lifeguard will order the pool closed and the party ended. If a party is ended in such a manner, the lifeguards will still be paid in full for the hours originally scheduled.
- No glass will be allowed on the pool deck. Food tables must be kept at least 10 feet from the edge of the pool. No grills may be set up within the fenced area of the pool.
- No alcohol is allowed for guests under 21. No alcohol should be present at a party if the majority of the guests are under 21. **No alcohol will be allowed on the pool deck (Maryland State Law).**
- No loud exterior music will be allowed after 11:00 P.M.
- Admission may *not* be charged for guests.
- Chaperones for underage parties must remain at the pool until the party is over.
- Clean up of the entire facility *must* take place before the pool opens the following morning. The facility should be returned to the condition it was in prior to the party.
