

New Mark Commons Swimming Pool Rules

ADMISSION

All NMC Residents and NMC Nonresident Pool Members who have current pool registration identification cards/passes and who are current with payment of all NMC financial dues obligations are eligible to use the pool. To obtain a pool pass, contact property management company Abaris Realty, Inc. at 301-468-8919 or email kambush@abarisrealty.com

Current pool identification passes must be presented and scanned at the NMC pool office by Pool Personnel staff at each visit prior to entering the pool facilities.

Guests must be accompanied by NMC residents or nonresident NMC pool members in order to be admitted once the appropriate guest fee is paid in cash to the staff in the NMC pool office. The NMC pool guest fee is \$4.00 per guest on weekends and holidays and \$2.00 per guest at all other times. A 10–use guest pass can be purchased for \$20, for use on any day of the week.

Ongoing admission is dependent upon pool users complying with the NMC Pool Rules.

NMC Pool Party Rules allow up to 15 guests to be brought to the pool during standard hours of operation if the NMC host has applied for and received approval in advance from the NMC property management company Abaris Realty, Inc. 301-468-8919 for a specific date and time.

Nonresident Care Providers, Au Pairs, Babysitters and Nannies accompanying children must have written permission of the NMC parents on file at the NMC pool office.

Renter or Tenant of NMC Property. NMC pool membership is associated with one family per property. An owner of NMC property must declare in writing to Abaris Realty, Inc. whether an identified renter/tenant may be granted a NMC pool membership for the season instead of the owner. If the owner chooses to use the pool membership for the season, the renter/tenant may apply for a nonresident NMC pool membership.

All persons using the pool area do so at their own risk and accept responsibility for their own safety. Personal property is the responsibility of the persons using the pool.
