

New Mark Commons Spring Clean-Up! Saturday, March 28

9:00 a.m. to 12:00 noon - Meet at the Clubhouse

Work safe out of doors! Some tools provided

All ages and abilities welcome!

The seasonal clean-up will take place with certain cautions due to COVID-19, and we hope you can join in the effort! It will provide a nice break from cabin fever for those homebound by precautionary measures for the previous weeks.

This year, we will gather **outside** the Clubhouse for assignments (like trash pick-up, cutting vines in the forest, trimming bushes etc) keeping our social distance and skipping the goodies. So please bring your own water and snacks! If you prefer, you can work autonomously in your chosen area of the community. While we can provide some tools, it would be helpful if volunteers bring along sturdy gloves and/or hand-held pruners.

This event is a long-time tradition for New Mark Commons and is a lot of fun as we work together to improve the appearance and the health of our landscape. Just show up at 9:00 a.m., or email JP Muller at jpmuller76@gmail.com or Ron Tipton at rtipton1948@gmail.com. If the weather is iffy, look for an update in your email March 28 by 8:30 a.m. **Rain date is Saturday, April 18.**
