

NEW MARK COMMONS POOL PARTY RULES

For parties held during pool operating hours.

**Note: parties will only be allowed
if COVID-19 regulations allow.**

The following rules apply to private pool parties held during normal pool hours:

- All parties at the pool must be scheduled at least one week in advance with our pool management company, Pool Personnel, by emailing them at: john@poolpersonnel.com
- The party administrator is authorized to deny an event if the requested date conflicts with a previously scheduled party or falls on one of the blackout dates.
- Blackout dates are: Memorial Day weekend, Father's Day, July 4th weekend or surrounding days, and Labor Day weekend.
- No more than 15 swimmers, including both members and non-members, can be included in the pool party guest list.
- The party host must check-in with the guards upon arrival.
- The party's food focus must be contained within the designated eating area and may not overtake the entire area. The party's host is reminded that your party is being held during normal operating hours, and we request that you show courtesy towards other pool users. This would include bringing your own table to use for food distribution and ensuring the area is cleaned up at the conclusion of the party.
- Parties are limited to two hours. Set-up and clean-up are in addition to the two-hour maximum.
- The preference is to limit the pool schedule to one party per day. The Party Administrator has the discretion to schedule up to two parties.
- The pool party host will pay applicable fees. (non-members fees: \$2 per guest weekday and \$4 per guest weekend)
- Non-member pool party guests between the ages of 9 and 16 must sign a liability waiver.
- All pool parties must provide a minimum of two chaperones.
- Pool party guests must comply with all NMC Pool Rules.

To be eligible to host a NMC pool party, you must be a resident or non-resident pool member in good standing and be in attendance throughout the duration of the party.

QUESTIONS AND PARTY SCHEDULING: Contact the New Mark Commons Pool Management Company at john@poolpersonnel.com and use the subject heading **"New Mark Commons Pool Party."**

The Pool Rules can be found on the NMC website, www.newmarkcommons.org, under the Administrative tab.
