March 24, 2025

Dear New Mark Commons Homeowner,

Happy Spring! The New Mark Commons pool is being prepared for its scheduled opening on Saturday, May 24, 2025. This summer's pool registration will be as follows:

1. The registration process is described in Attachment 3 and 5. Residents who registered in MemberSplash last year remain in the system but may have to update their registration if members have left or joined their household or there is a caregiver/ houseguest.
2. If you are new to MemberSplash, detailed directions on how to apply for the pool with Abaris are enclosed. This should be done this spring before the pool opens or you will not be able to access the pool when it opens.
3. This information will then be validated and Abaris, as administrator, will allow into the system all occupants that meet the following criteria:

General Admission Guidelines for NMC Pool during the 2025 Season

All NMC Residents and NMC Nonresident Pool Members who are current with all payment of all NMC financial dues obligations are eligible to use the pool.

A resident is defined as someone who permanently resides within New Mark Commons. Your New Mark address is your primary residence and where you officially receive mail and are registered to vote. Abaris and New Mark residents assigned by the Board to validate residents reserve the right to request a valid government issued ID to confirm residency.

The only exception is children who may live away from the family household to attend college or other activity. Children may use the pool until they reach the age of 26. Once they turn 26, they must pay applicable guest fees for entry and be accompanied by a New Mark resident. Abaris and New Mark residents assigned by the Board to validate residents reserve the right to request a valid government issued ID to confirm age.

Nonresident Care Providers. Care Providers apply to young children, individuals with special needs, and seniors requiring assistance. The Care Provider must be identified in advance by an owner or renter within the pool registration system. There is no charge for Care Providers as long as

they have been identified in the system, attend with the person for whom you are providing care, and a legal guardian for that individual is not present. If a legal guardian is present applicable guest fees apply.

Houseguests may be registered within the system and use the pool free of charge. In order to qualify as a houseguest, the individual(s) must be physically residing at a residence within New Mark for an extended period of time during the course of the summer. **Local family members or friends do not qualify.** In order to have someone entered into the system as a houseguest please email your request along with justification to board@newmarkcommons.net. The Board may request additional information and may delegate action on or resolution of the request to New Mark residents assigned by the Board. Houseguests will be decided on a case-by-case basis.

Note: At the conclusion of each swim season the membership management system will automatically delete anyone classified as a Care Provider or houseguest.

Renter or Tenant of NMC Property. NMC pool membership is associated with one family per property. An owner of NMC property must declare in writing to Abaris whether an identified renter/tenant may be granted a NMC pool membership for the season instead of the owner. If the owner chooses to use the pool membership for the season, the renter/tenant may apply for a nonresident NMC pool membership and pay applicable fee if a membership is available. **For all tenants, a copy of the current rental lease is required in order to be validated within the system.**

If you believe a household member has been denied validation in error, please provide a valid government issued ID to Kaitlyn Ambush at:

Abaris Realty, Inc.
Attention: Kaitlyn Ambush
7811 Montrose Road Suite 110
Potomac, MD 20854
Fax: 301-468-0983
Email: customercare@abarisrealty.com

Upon validating you as a NMC resident, entry into the system will be granted.

Pool Rules and Pool Access Permission & Liability Waiver: Enclosed are the pool rules and the Pool Access Permission & Liability Waiver form. If you have children in your household ages 9 through 15, they must pass the swim test and a new form must be completed and returned to Abaris in order for them to use the pool without being accompanied by an adult parent or guardian.

Rules for Pool Parties: The Board of Directors has adopted rules for pool parties held during regular operating hours which are attached. On behalf of the Board of Directors, I hope you have a great summer at the pool and please stay safe!

Sincerely,

ADMISSION

All NMC Residents and **NMC Nonresident Pool Members** who have registered and been validated within the Member Splash pool registration system and who are current with payment of all NMC financial dues obligations are eligible to use the pool. If you have not been validated within the registration system you will be denied access. You may request validation by contacting the property management company Abaris Realty, Inc. at 301-468-8919 or email customercare@abarisrealty.com. Once a valid government ID has been provided validation will be granted.

Entering through the side gate with check-in on the pool deck worked well last year and will be in place again this year. Once you have been validated you will just need to provide your name to the guard as you check in. Please wait while they enter your name in the system and are instructed to enter before proceeding past the check-in table. You must follow this practice at each visit prior to entering the pool facilities. Again, if your name has not been validated within the system you will be denied entry.

In order to close the pool on time, all swimmers will be asked to get out of the pool 15 minutes prior to closing time. In addition, lifeguards will not admit swimmers if they arrive 15 minutes before closing or later.

Guests must be accompanied by NMC residents or nonresident NMC pool members in order to be admitted once the appropriate guest fee is paid. Guest Passes may be purchased via Membersplash.

NMC Pool Party Rules allow up to 15 guests to be brought to the pool during standard hours of operation if the NMC host has applied for and received approval in advance from the NMC Pool Management Company, Pool Personnel. Contact nmcpoolmgr@gmail.com. See attachment 4 for additional information regarding pool parties.

Ongoing admission is dependent upon pool users complying with the NMC Pool Rules. All persons using the pool area do so at their own risk and accept responsibility for their own safety. Personal property is the responsibility of the persons using the pool.
