**INSTRUCTIONS:** Please complete the identifying information above, the project description below, and the contractor information at the bottom of this page. Use of a licensed arborist to evaluate the trees on your property is strongly recommended, and their assessment may substitute for the project description. Follow instructions on the second page to notify neighbors in your immediate vicinity who will be affected by the tree removals.

PLEASE IDENTIFY THE TREES IN YOUR YARD BY WRAPPING THEM WITH RIBBON OR ROPE. IF POSSIBLE, PLEASE INCLUDE PHOTOS OF THE TREES. Thank you!
